

Dear Parents,

FOR YEARS 3, 4, 5 & 6 | STARTING TUESDAY 3 NOVEMBER | 3:30PM-4:30PM

Now is the perfect time to introduce your child to the fun of learning a new language. Young children are naturally curious and receptive to new languages, so the earlier learning starts the better.

My French Club has been a firm favourite with pupils for years, and I am delighted to be able to introduce the love of French exclusively to **children in Years 3,4,5 & 6 at St Paul's C of E Junior School, STARTING 3 NOVEMBER!!!**

It's a wonderful opportunity for your child to have fun, make new friends and discover the excitement of learning French in a relaxed & supportive environment as well as gaining that important head start for secondary school.

What makes our French Club different?

- ★ **We give your child a head start with languages** – helping them build confidence & familiarity from an early age, so they're ready to thrive when language learning becomes more formal at school and beyond.
- ★ **We inspire & make learning French fun** – using games, songs, stories, role-play & interactive activities.
- ★ **We create a relaxed and supportive environment** – where children feel comfortable joining in, making friends and growing in confidence.
- ★ **We give children a valuable life skill** – one that can broaden their horizons and open up future opportunities
- ★ **We make children feel part of something special** – learning, having fun and growing in confidence alongside other children.

What do children enjoy at French Club?

- ✓ Fun songs, games and interactive activities with stories, role-play and simple conversations!
- ✓ Discovering French culture and traditions

We follow the **award-winning La Jolie Ronde programme**, which has been inspiring children to enjoy and learn languages for over 40 years. Programmes are designed for young learners, to help them to develop pronunciation, communication skills & cultural awareness while having lots of fun. Recognised by the French Government too!!!
