

St Paul's C of E Junior School Sports Premium 2017 – 2018 Impact Report

Summary information

Academic year	2017 - 2018	Total budget for period Sept 2017 – Aug 2018	£19840 plus 33941 carry forward from the previous year
Total number of pupils	384	Next internal review	July 2018

Vision

At St. Paul's our vision is to ensure that all pupils leave primary school with the knowledge, skills and motivation to help them lead a healthy, active lifestyle and to continue to participate in physical activity in sport.

Key Aims

- To continue to improve levels of aerobic fitness for all children
- To encourage all children to enjoy PE and chose to participate in physical activity at play and after-school
- To provide additional opportunities for children to participate in organised sporting activities against pupils from other schools
- To increase level of performance of teams representing the school

Evaluation of the Year 2017-18

This year has once again been a very successful year for St. Paul's. We have increased participation in sporting activities to include in-school, extra-curricular clubs and events such as tournaments and competitions and this year, involved over 95% of pupils. In Summer 2018, we won the Wokingham Area District Sports Athletics Competition for the 18th year, bringing home Boys, Girls and Overall Champions trophies as well as many individual awards. We competed against 22 local schools in 10 disciplines, fielding a mixed team of pupils from across the school. Our A and B teams excelled in local football tournaments this year and St Paul's were semi-finalists in the Wokingham Kwik Cricket Festival. We set up a new netball team and our squad took part in the local league. A key focus for all pupils across the school is swimming. Going forward, we aim to ensure non-swimmers are allocated additional pool time and small group lessons to ensure every pupil reaches the expected standard of swimming prior to leaving Year 6.

This introduction of the 'Craze of the Week' lunchtime activities has significantly enhanced our children's spiritual, moral, social and cultural needs through a continued focus on team work, self-improvement, aspiration to improve performance, rules, sportsmanship and etiquette. The range of activities available promotes an appreciation of sports from a range of countries.

We are working towards achieving Bronze Sports Games Mark and will be tracking our progress through the academic year 2018-19.

Meeting national curriculum requirements for swimming and water safety – EOKS2 Results	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	79%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	76%
Schools can choose to use the Primary PE and Sport Funding for swimming but this must be for activity over and above the National Curriculum Requirements. Have you used it in this way?	No (Moving forward, we intend to offer additional sessions to pupils who may not otherwise meet the 25m requirement by the end of Year 6.)

How we spent the School Sports Premium	Budget	Impact
Staffing		
Employ a dedicated PE and Games Coordinator to work a minimum of 3 days per week. (Underspent on original projection as we appointed part way through the academic year)	£4221	<ul style="list-style-type: none"> Created Craze of the week lunchtime activities – 60% pupil participation over 3 lunchtime sessions per week Increased pupil participation in competition opportunities – 94 pupils participated in a variety of different tournaments, competitions and matches Extended provision of PE and Games opportunities to include new sports such as Tri-Golf and Indoor athletics Increase positive pupil attitude to health and wellbeing with the introduction of Walk to School and Healthy Eating week. Feedback from pupils and staff was extremely positive Improved school and community links by working with local secondary schools and clubs such as Sandmartins Golf Club to enhance our sports provision, delivering workshops and tournaments Link PE to other subjects within the curriculum that contribute to pupils' overall spiritual, moral, social and cultural development such as the introduction of sports and activities from a number of different countries and cultures such as Boccia, New Age Kurling and Bollywood dancing Enhanced pupil concentration, commitment and behaviour with a reduction in orange slips at lunchtime
