

The breakfast club runs at Meadow Nursery School from Monday-Friday 7.30am to 8.45 am for all children between Reception and Year 6 who attend Walter Infants or St Paul's Junior School.

The club has an amazing team of friendly, experienced staff to care for children before they begin their school day.

Each session costs £6.25 which includes a wide variety of healthy breakfast options such as: cereals, porridge, toast, fruit and juice. Once a term, the children get the opportunity to plan a different breakfast menu to accommodate some of those with wider tastes!

The children can meet friends, play, relax, enjoy breakfast together and do any last minute homework.

When it is time to end, the children are then safely escorted to school in time for morning registration.

To find out more please contact The Breakfast Club at meadow@weycp.org.uk or telephone Liz Honer on 0118 9790284
