*I have been a Running and Athletics coach for over 13 years and in that time have seen children progress and develop their enjoyment of running and athletics. I used to coach the girls endurance squad at Bracknell as well as managing the young coaches programme however unfortunately I don't have enough time any more. I am also the PE and Games Coordinator at St. Paul's. I am passionate about ensuring all children have access to a variety of different physical activities both within the curriculum and also extra-curricular activities in order to develop healthy habits for life.*
