I have been a Running and Athletics coach for over 12 years and in that time have seen children progress and develop their enjoyment of running and athletics. I am also a full-time PE and Games Coordinator at St. Paul's as well as a teaching assistant in class in the mornings. I am passionate about ensuring all children have access to a variety of different physical activities both within the curriculum and also extra-curricular activities in order to develop healthy habits for life.

Running club is held on Monday mornings from 7:45am - 8:30am.

The children enter through the office in their sports-wear. They must bring their school uniform with them to change after the club. Children may also bring a healthy snack to have after the club if they wish.
